About Oxbury

Oxbury is a professional private practice of Chartered Quantity Surveyors with a pedigree in the delivery of residential and mixed-use projects throughout East Anglia, East Midlands and the South East. We provide Development Management, Cost Management, Employer's Agent and Project Management services for a full spectrum of clients including Housing Associations, Local Authorities, County Councils and Private Developer and Commercial clients. We operate from our offices in Norwich, Cambridge and Chelmsford.

Our large client base sees us involved with a wide variety of projects in multiple sectors, including one-off residential dwellings through to complete estate regenerations schemes; master plans; commercial offices; industrial; infrastructure; education and leisure. Commissions often commence at scheme inception and cover a range of functions including viability studies, options appraisals, land acquisitions, planning, detailed design, procurement and construction. New-build and refurbishment contracts range in size from £50,000 to over £100m in value and often form a part of larger projects or phased developments.

About the job

We currently have vacancies for two QS Graduates to work as Quantity Surveyors / Project Surveyors / Employer's Agents. One role will be based at our Cambridge Office (Stow cum Quy) and one at our Chelmsford Office (Springfield).

You will be responsible for supporting the day-to-day management of several projects, working with both the residential and commercial teams. This includes responsibility for project delivery, achieving targets, resolving issues with clients and invoicing. Some of the main tasks are:

- Providing informal, early advice on the financial and general viability of potential schemes.
- Preparing cost estimates and cost plans.
- Providing contract/procurement advice and administration.
- Drafting Employer's Requirements/Preliminary/Tender Documents – Including PQQ's and shortlisting contractors.
- The preparation of tender enquiry documentation and contract documentation of all types.
- Advising and identifying value engineering opportunities.
- Carrying out on-site valuations with the main contractor and issuing recommendations for payment to Contract Administrator/Employers Agent.
- Agreeing costs for variations with the main contractor and keeping the client up to date on any cost risks identified.
- Monthly cost reporting to the client.
- Occasional post-contract Contract Administrator duties.
- Agreeing final account with main contractor and keeping client informed of progress and likely outcome.
- Managing the acquisition of planning permission and arranging for site surveys, ground investigations and utilities enquiries.
- Co-ordinating projects pre-contract, including chairing project meetings and preparing development programmes.
- The post-contract administration of Design and Build Contracts, as Employer's Agent.
- Negotiating and administering Development Agreements for the delivery of "Section 106" Developer-led affordable housing.
