About Oxbury

Oxbury is a professional private practice of Chartered Quantity Surveyors and Project Managers with a pedigree in the delivery of residential and mixed-use projects throughout the East and South East, East Midlands and Greater London. We provide Cost Management, Employer's Agent and Project Management services for a full spectrum of clients including Housing Associations, Local Authorities, County Councils and Private Developer and Commercial clients. We operate from our offices in Norwich, Cambridge, Chelmsford and London.

Our large client base sees us involved with a wide variety of projects in multiple sectors, including one-off residential dwellings through to complete estate regeneration schemes; master plans; commercial offices; industrial; infrastructure; education and leisure. Commissions often commence at scheme inception and cover a range of functions including viability studies, options appraisals, land acquisitions, planning, detailed design, procurement and construction. New-build and refurbishment contracts range in size from £50,000 to over £100m in value and often form a part of larger projects or phased developments.

About the job

Continued growth within the industry and at Oxbury has created an opportunity for an experienced Surveyor to deliver Project Management, Cost Management and Employer's Agent services to a wide range of clients in Greater London and the Home Counties (Essex, Hertfordshire, Bedfordshire, Buckinghamshire). The role can be based from either our Chelmsford or London (Shoreditch) offices. Providing services on a range of exciting and innovative projects, you will be working with public and private sector clients across a range of sectors including residential, commercial, industrial and education.

You will be responsible for:

Cost Management: Preparing cost estimates and plans as well as early advice on financial viability. Providing contract / procurement advice and administration, including drafting Employer's Requirements. Carrying out valuations and identifying value engineering opportunities. Monthly cost reporting including agreeing cost for variations and final accounts.

Project Management / Employer's Agent: The day-to-day management of a number of schemes - including large, complex or unusual schemes - from inception to completion. You will be expected to achieve a successful outcome for the project, as well as pre-set milestones and related fee invoicing levels. This will include responsibility for scheme delivery, achieving targets / KPIs, liaison with clients and invoicing.

Management: Line management and mentoring of Apprentices and junior staff.

You will work as part of a team with appropriate administrative support. Reporting to a Director you will also have technical and specialist support when required.
